Minimum Specifications 20' Flex Wing Rotary Cutter

These specifications are intended to cover all requirements for the purchase. It is the owner's intent to purchase a Rotary Cutter with the specified components that is ready for use upon delivery. Bid shall be given as **one lump sum**. All equipment furnished shall be new without repair and meet all equipment requirements by State and Federal safety regulations.

NOTE:

A copy of the bidder's specifications for the Rotary Cutter shall be submitted with the bid.

Any manufacturer's name, trade name, brand name, or model number used in these specifications are for the purposed of describing and establishing general quality levels. Such references are not intended to be restrictive. Bidders' proposals shall meet or exceed all requirements of the listed specifications.

New John Deere FC20M Rotary Cutter (or equivalent make and model)

- 20'(240in) Flex Wing Rotary Cutter minimum
- Deck thickness: Upper deck minimum:10-gauge, Lower deck minimum: 10 gauge
- Smooth top/bottom with internal frame
- Minimum 3" Cutting capacity
- Cutting height of 2"-16"
- A single centrally mounted hydraulic cylinder shall raise and lower the height of the center and wings simultaneously.
- Minimum PTO of 75hp
- 540 PTO RPM
- Constant velocity input driveline
- ASAE Cat 5 driveline
- Heavy duty laminated tires
- Dual tires on wings (outer axles)
- Independent spring or air suspension on each axle
- Skid Shoes: Shall be equipped with replaceable steel skid shoes or runners.
- Skirt thickness: 3 gauge
- Front and rear deflector safety chains
- Transport Width: No greater than 11'2"

MANUALS:

Successful bidder shall supply a copy of the current operator's manual and instructions.

DELIVERY:

Delivery F.O.B. to 6700 McKennon Boulevard, Fort Smith, Arkansas. **Please list an approximate delivery date in the bid.** Date of delivery shall be considered during the bid award.

WARRANTY:

The purchase shall have a gearbox warranty of not less than 5 years. If manufacturer's standard warranty period exceeds 5 years, then the manufacturer's standard warranty period shall be in effect. The warranty shall begin on the date the unit is determined to meet specifications and is accepted into the Airport's fleet, not production date. Please submit a detailed statement of the warranty offered with this bid.

OPTIONAL WARRANTY:

Additional costs of extended or optional warranty shall be listed separately from the bid.

The Fort Smith Regional Airport reserves the right to waive any formalities and the right to reject any or all bids.
